# Bus stop sign

**Please ring the bell  
to stop the bus**

# Money

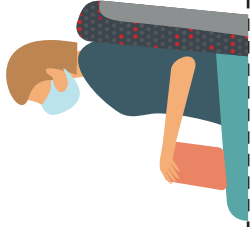

# Timetable

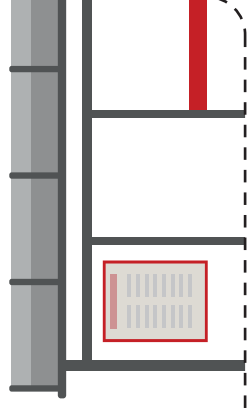

The image shows a placeholder for a timetable. It features a prominent red border surrounding a light gray rectangular area. At the top of this area is a solid red horizontal bar. Below this bar, the space is organized into two vertical columns. Each column contains eight horizontal gray bars, one above the other, representing the structure of a timetable grid. No text or specific data is present within these bars.
